

What is onRamp?

Roger onRamp provides an innovative compliance platform combined with the ability to make and maintain business connections between **Shippers** and **Carriers**.

Roger onRamp partners with myCOI, a unique compliance tracking system, and is responsible for tracking and verifying your insurance qualifications, W-9 verification, and that your **Certificate of Insurance** meets the requirements specified in your contract agreement with your **Shipper(s)**.

Step 1: Login to onRamp

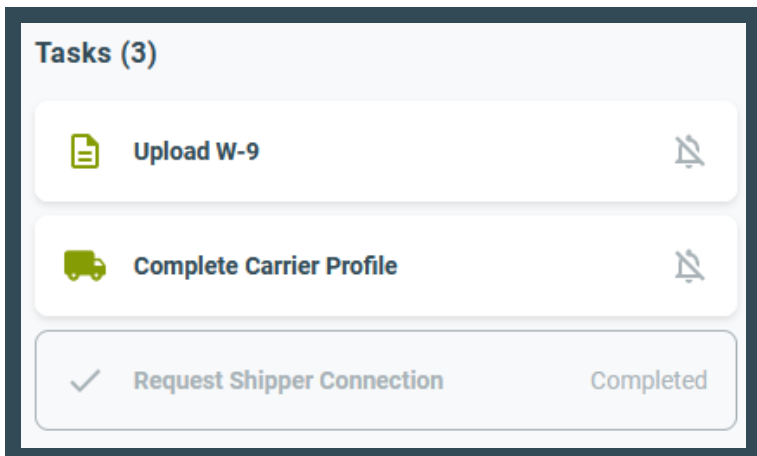

Navigate to <https://onramp.rogerthat.com> and either **Login** or, if you are a new user, click **Register New Account**.

Step 2: Complete Tasks

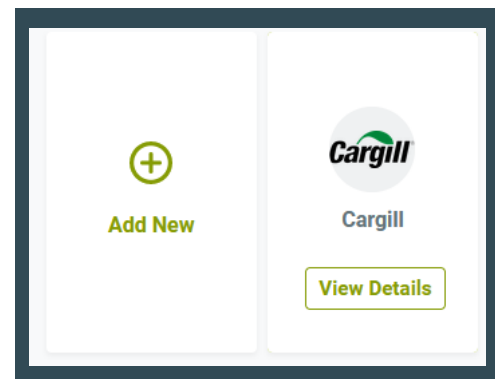

onRamp will prompt you to complete the following tasks:

- Upload W-9
- Complete Carrier Profile
- Add Insurance Agent's Information
- Connect to Shippers

Step 3: Continue Hauling!

Focus on growing your business without worrying about administrative issues. After completing your **onRamp** tasks, **myCOI** and **Roger** will maintain your insurance information. You won't need to upload documents when making new connections or when your insurance renews.
